The licensee's failure to receive the notice does not relieve the licensee of the obligation to meet the renewal deadline and other requirements for licensure renewal.

Subd. 4. **Failure to renew.** (a) If a licensee fails to renew a license, the license lapses. The license may be restored within four years of the expiration date upon completion of the requirements in subdivision 1 and payment of the late fee in section 148H.16.

The requirements of section 148H.11 for renewing licensure and any other conditions imposed with the suspension must be met before licensure may be reinstated.

Subd. 6. **Authority to contract.** The commissioner shall contract with the health professionals services program as authorized by sections 214.31 to 214.37 to provide services to practitioners under this chapter.
