Senator ..... moves to amend S.F. No. 813 as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2024, section 144A.351, subdivision 1, is amended to read:

Subdivision 1. **Report requirements.** (a) The commissioners of health and human services, with the cooperation of counties and in consultation with stakeholders, including persons who need or are using long-term care services and supports, lead agencies, regional entities, senior, disability, and mental health organization representatives, service providers, and community members shall compile data regarding the status of the full range of long-term care services and supports for the elderly and children and adults with disabilities and mental illnesses in Minnesota. The compiled data shall include:

(1) demographics and need for long-term care services and supports in Minnesota;

(2) summary of county and regional reports on long-term care gaps, surpluses, imbalances, and corrective action plans;

(3) status of long-term care services and related mental health services, housing options, and supports by county and region including:

(i) changes in availability of the range of long-term care services and housing options;

(ii) access problems, including access to the least restrictive and most integrated services and settings, regarding long-term care services; and

(iii) comparative measures of long-term care services availability, including serving people in their home areas near family, and changes over time; ~~and~~

(4) recommendations regarding goals for the future of long-term care services and supports, policy and fiscal changes, and resource development and transition needs~~.~~; and

(5) the following information on the availability of integrated community supports, updated within 30 days of the end of four three-month reporting periods, which begin on January 1 of each year:

(i) the average number of integrated community supports beds occupied, per month, for the preceding reporting period;

(ii) the average number of integrated community supports beds available, per month, for the preceding reporting period;

(iii) the number of integrated community supports settings operating as of the final day of the reporting period;

(iv) the number of integrated community supports settings that closed during the preceding reporting period;

(v) the number of integrated community supports setting applications being reviewed by the commissioner of human services as of the final day of the reporting period; and

(vi) the average time of review for integrated community supports setting applications submitted during the preceding quarter.

(b) The commissioners of health and human services shall make the compiled data available on at least one of the department's websites.

Sec. 2. Minnesota Statutes 2024, section 245D.12, is amended to read:

245D.12 INTEGRATED COMMUNITY SUPPORTS~~; SETTING CAPACITY REPORT~~.

Subdivision 1. **Setting capacity report.** (a) The license holder providing integrated community support, as defined in section 245D.03, subdivision 1, paragraph (c), clause (8), must submit a setting capacity report to the commissioner to ensure the identified location of service delivery meets the criteria of the home and community-based service requirements as specified in section 256B.492.

(b) The license holder shall provide the setting capacity report on the forms and in the manner prescribed by the commissioner. The report must include:

(1) the address of the multifamily housing building where the license holder delivers integrated community supports and owns, leases, or has a direct or indirect financial relationship with the property owner;

(2) the total number of living units in the multifamily housing building described in clause (1) where integrated community supports are delivered;

(3) the total number of living units in the multifamily housing building described in clause (1), including the living units identified in clause (2);

(4) the total number of people who could reside in the living units in the multifamily housing building described in clause (2) and receive integrated community supports; and

(5) the percentage of living units that are controlled by the license holder in the multifamily housing building by dividing clause (2) by clause (3).

(c) Only one license holder may deliver integrated community supports at the address of the multifamily housing building.

Subd. 2. **Publication of setting review standards.** The commissioner must publish standardized integrated community supports setting review criteria, application templates, and documentation requirements on the Department of Human Services website.

Sec. 3. **INTEGRATED COMMUNITY SUPPORTS PROGRAM INTEGRITY AND SUSTAINABILITY WORK GROUP.**

Subdivision 1. **Establishment.** The commissioner of human services shall convene a work group to develop recommendations regarding proposed changes to integrated community supports (ICS) service delivery, rate structure, oversight mechanisms, and housing-related provisions.

Subd. 2. **Membership.** The work group must include representatives from:

(1) the Department of Human Services;

(2) county human services agencies;

(3) current licensed ICS providers of varying sizes and from all geographic regions of the state;

(4) the Office of the Ombudsman for Mental Health and Developmental Disabilities;

(5) provider association representatives;

(6) clients receiving ICS services;

(7) family members of or advocates for persons with developmental disabilities living in ICS settings;

(8) housing partners and supportive housing developers; and

(9) Tribal representatives, where applicable.

Subd. 3. **Duties.** The work group shall review and provide recommendations in the following areas, including but not limited to:

(1) rate frameworks assessment tools;

(2) documentation standards;

(3) the appropriateness and criteria for additional prior authorization requirements for high-cost service plans, including timelines and appeal protections;

(4) the necessity, duration, and scope of any licensing or provider setting moratoria;

(5) a service engagement review process;

(6) licensure application processing timelines;

(7) a determination of need process before new providers or substantial capacity expansions are approved, with exemptions for relocations and small capacity adjustments;

(8) a streamlined and expedited review process for relocations and small expansions of existing providers; and

(9) a process for issuing provisional or transitional licenses such that applicants can get an initial approval to operate prior to securing control of the approved setting.

Subd. 4. **Data and analysis.** The commissioner shall provide the work group with relevant utilization data, expenditure trends, audit findings, and federal compliance guidance to inform recommendations.

Subd. 5. **Administrative support.** The Department of Human Services shall provide staff and administrative support to convene the work group, facilitate work group meetings, and prepare the final report.

Subd. 6. **Meetings.** The commissioner must convene the first meeting of the work group no later than September 1, 2026.

Subd. 7. **Report.** By February 1, 2027, the commissioner of human services shall submit a written report to the chairs and ranking minority members of the legislative committees with jurisdiction over human services that includes recommendations, including any legislative language necessary to implement the recommendations, and fiscal impact analysis regarding ICS service delivery, rate structure, oversight mechanisms, and housing-related provisions.

Subd. 8. **Expiration.** The work group expires upon submission of the report under subdivision 7.

Sec. 4. **DIRECTION TO COMMISSIONER; INTEGRATED COMMUNITY SUPPORTS.**

The commissioner of human services shall not implement any changes to the integrated community supports rate methodology, licensing processes, or structure until the integrated community supports program integrity and sustainability work group has submitted its report to the legislature and the legislature has reviewed the report."

Amend the title accordingly
